

International Society of Family History Writers and Editors Excellence-in-Writing Competition Rules For 2018

The International Society of Family History Writers and Editors is sponsoring its annual “Excellence-in-Writing” competition. This contest is open to members and non-members of ISFHWE, both published and unpublished authors. Members of ISFHWE will receive an entry fee discount. The contest has six categories:

Category I – Columns. This is for columns of original content, published on a regular basis, in any medium, published in 2017. Each entry must consist of 2,000 words or less. These are entries from the author’s regular column-not features. Note that these may be print or online columns.

Category II -- Articles. These one-time articles (not part of the author’s column) must have been published in 2017 a journal, magazine, newsletter, blog or website. Entries cannot exceed 5,000 words. Note that these may be print or online articles. Footnotes are not included in the word count.

Category III – Genealogy Newsletter. This category is for society or family association newsletters published in 2017. Entries should consist of **two issues**, each submitted as a single file in PDF format. The judging will be based on originality, content, visual appeal, writing and editing quality, and accuracy. The award is to the editor of the publication. These may be print or online newsletters. The once-a-year newsletters usually sent at Christmas do not qualify for this competition, as two issues are needed.

Category IV – Unpublished Authors. Entrants in this category aspire to be published writers or columnists in the field of genealogy, family or local history. The submissions in this category are original and unpublished, between 500 and 2,000 words. Since these are UNPUBLISHED, blogs are not eligible for this category.

Category V– Unpublished material - Published Authors. This category is for original unpublished genealogically related articles by previously published authors. Entries should be between 500 and 3,000 words. Since these are UNPUBLISHED, blogs are not eligible for this category.

Category VI – Poetry/Song. This category is for original content (published in 2017 or unpublished) that is related to family history. Entries should be no longer than 1,000 words and have a Title.

Winners (1st, 2nd, 3rd) in each category will be awarded a cash prize and a digital certificate. Digital Certificates may also be emailed for Honorable Mention. The awards will be announced in fall 2018.
